The Admissions Process

There is no application process for admission to the center. When you or a Veteran you care for are in need of skilled care, you will need to contact the Admissions Coordinator to have your name added to the interest list. The Admissions Coordinator will require you to provide “preadmission paperwork” upon request. This includes:

- ◆ DD214 (discharge papers)
- ◆ Insurance Cards
- ◆ Medicaid Card
- ◆ Proof of Kentucky Residency
- ◆ Power of Attorney for Medical and Financial needs.

Veterans are selected by our Admissions Committee. The committee bases their decision on the current ability of the facility to meet the Veterans needs.
